7.	PARENT/GUARDIAN/STUDENT COMMITMENT
<p>The Michigan Merit Curriculum (MMC) requires that the student earn specific credits to graduate from high school. Credits are earned when the student demonstrates competencies in content expectations in the given subject areas. The law allows certain modifications of these credits and/or expectations through the development of a Personal Curriculum (PC). I/We understand and/or agree to the following:</p> <ul style="list-style-type: none"> • Modifications to the Michigan Merit Curriculum may limit the student's readiness to be admitted to college, be eligible for college scholarships, enter trade school, secure a job in a career choice, or be eligible for NCAA athletic programs. • As an emancipated student who has chosen to participate in a PC, it is my responsibility to maintain communication quarterly with teachers regarding the areas of modification. • The student may or may not be eligible for further consideration of a PC, even though a PC is requested. • If the student does not fulfill the approved Personal Curriculum, the PC is null and void; the student is obligated to make up the classes that were waived by the PC to be eligible to graduate. • A PC is not transferable from one district to another. • Modifications made to the Michigan Merit Curriculum with a PC are based on a student's current post-school goal. The PC may need to be amended if that goal or career pathway changes. 	
I/We agree with the implementation of this Personal Curriculum Plan.	
I/We disagree with this Personal Curriculum Plan so it will <u>not</u> be implemented.
