**Center-Based Programs  
Student/Parent Handbook**

This handbook is intended for use by students, parents, and staff as a guide to the rules, procedures, and general information about the District. The use of the word “parent” in this handbook means a student’s natural or adoptive parent or legal guardian. Students and their parents are responsible for familiarizing themselves with this handbook, and parents should use the handbook as a resource to assist their children with following its rules and procedures.

Students must comply with all school policies, regulations, rules, and expectations. The use of the word “Policy” in this handbook includes bylaws or policies adopted by the Board of Education. Although the information in this handbook is comprehensive, it is not intended to address every situation that may arise during a school day or school year. This handbook does not create a contract between the District and parents, students, or staff. The administration is responsible for interpreting the rules contained in the handbook to ensure the implementation of the school’s educational program and well-being of all students. If a situation arises that is not specifically addressed by this handbook, the administration may respond based on applicable law and policy.

The rules and information provided in this handbook may be supplemented or amended by the administration at any time, consistent with applicable law and policy.

Policies and guidelines of the Northwest Education Services (North Ed) Board of Education are periodically reviewed and updated in response to changes in the law and other circumstances. Complete policy documentation can be found on the district’s website at **[www.NorthwestEd.org](http://www.NorthwestEd.org)** or by contacting the North Ed administration office or your school supervisor.

Dear Parents, Students and Guardians,

The Parent/Student Handbook was developed to answer many commonly asked questions about Northwest Education Services (North Ed) schools and programs. This handbook contains important information that students and families participating in North Ed center-based programs are likely to need to ensure a successful school year. Throughout the handbook, the term “parents” refers to parents, legal guardians, or other persons who have agreed to assume school–related responsibility for a student.

The handbook summarizes and aligns with school district policies, administrative guidelines, state and federal regulations and student code of conduct. Policy adoption and revision is an ongoing process. If the handbook is ambiguous or conflicts with district policies and guidelines, the district policies and guidelines take precedence over the handbook. Changes in policy that affect student handbook provisions will be communicated via memos or other means to students and parents. These changes will generally supersede the provisions found in this handbook and those made obsolete by any newly adopted policy. This handbook is effective immediately and supersedes any prior handbook and other written materials on the same subjects.

Please become familiar with the enclosed information and keep the handbook available for frequent reference. If you have questions that are not addressed in this handbook, you are encouraged to contact the program supervisor or a North Ed administrator. After reading the handbook, please sign the acknowledgement form on the last page and return the signed form to your child’s school within one week of receipt. We appreciate your support of your child’s education and look forward to working with you to make this school year a success!

## EMERGENCY SCHOOL CLOSING PROCEDURES

In the event that school is canceled, delayed or closed early because of inclement weather or some other event, school officials will notify local media and post an alert on the Northwest Education Services (North Ed) website at [www.NorthwestEd.org](http://www.NorthwestEd.org). A snow day is a day when Traverse City Area Public Schools are closed. In these instances, North Ed programs are also closed.

For the most current information please check the North Ed website ([www.NorthwestEd.org](http://www.NorthwestEd.org)), a local broadcast news or radio station, or call the TCAPS **hotline at 231.933.1955**. More information about North Ed's School Closings & Alerts protocol may be found online at <https://www.northwested.org/services/communication-services/school-closings--alerts/>

With our first snowfall of the season comes confusion about snow days. Closing of school because of weather conditions or mechanical failure will be broadcasted on most local TV and radio stations beginning at 5:30 a.m.

If North Ed center-based programs are open but the local district in which you reside cancels school, transportation will not be provided. You may choose to transport your child to school; however, you are responsible for transportation at dismissal as well.

**Dean Transportation:** For questions regarding busing for North Ed center-based programs please contact **Dean Transportation at 231.922.5960**.

## NOTICE OF NON-DISCRIMINATION

The District does not discriminate on the basis of race, color, religion, national origin, ethnicity, sex (including pregnancy, gender identity, or sexual orientation), disability, age, height, weight, marital or family status, veteran status, ancestry, genetic information, military status, or any other legally protected category (collectively, "Protected Classes"), in its programs and activities, and employment opportunities.

The District prohibits unlawful discrimination, including unlawful harassment and retaliation. The District will investigate all allegations of unlawful discrimination and will take appropriate action, including discipline, against any person who, following an investigation, is determined to have engaged in unlawful discrimination.

"Unlawful harassment" is verbal, written, or physical conduct that denigrates or shows hostility or aversion toward a person because of the person's membership in a Protected Class that has the purpose or effect of: (1) creating an intimidating, hostile, or offensive environment; or (2) unreasonably interfering with the person's ability to benefit from the District's educational programs or activities.

- **Race, color, and national origin harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as racially motivated physical threats, attacks, or other hateful conduct. Harassment based on ethnicity, ancestry, or perceived ancestral, ethnic, or religious characteristics is considered race, color, and national origin harassment.
- **Disability harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as disability-motivated physical threats, attacks, or other hateful conduct.
- **Sex-based harassment** can take many forms. For the definition of sex-based harassment, including sexual harassment under Title IX, see Policies 3118 and 5202. The District's Title IX Policy is attached to this handbook as Appendix A.

Any student who witnesses an act of unlawful discrimination, including unlawful harassment or retaliation, is encouraged to report it to District personnel. No student will be retaliated against based on any report of suspected discrimination. A student may also anonymously report an incident of unlawful discrimination. The District will investigate anonymous reports pursuant to its investigation procedures described by Policy. Minor students do not need parent permission to file complaints or participate in the formal complaint resolution process described by Policy.

If you or someone you know has been subjected to **sex-based discrimination, harassment, or retaliation**, you may file a report with any District employee. Formal Complaints of sexual harassment must be filed with the Title IX Coordinator:

## **SECTION 1: DISTRICT-WIDE POLICIES AND PROCEDURES**

### **ATTENDANCE**

Students are expected to attend school every day school is in session. Students are to arrive before the first class and stay until the scheduled end of their school day. If a student is unable to attend school, the student or parent must report that absence to the child's teacher by 8:00 a.m. or to the school office by 9:00 a.m. the day of the absence to report an illness.

#### **Excused Absence**

Some examples of an excused absence: illness, local school bus transportation problems, death of a family member, doctor appointment, counseling and/or court appointment (note may be required), or pre-arranged vacations (work must be made up). The school will contact the student's parent if they have not been notified of the student's absence.

#### **Unexcused Absence**

An unexcused absence is when the parent has not called or written to the school to report an absence, the student is known to be "skipping," or a doctor's note has not been received when required for prolonged student illness. Some examples of an unexcused absence are: over-sleeping, baby-sitting, shopping, non-prearranged vacations, missing the bus, skipping school, excessive absences due to illness without a doctor's note.

#### **Planned Absences**

Parents who know in advance that a student will be absent must contact the school at the earliest possible date. Students who will be absent for reasons that can be anticipated, such as routine medical appointments and school activities, must complete any work required by the teacher before the absence unless alternative arrangements are approved by the teacher in advance. Parents should make every attempt to schedule medical and other appointments outside of school hours.

#### **Notes:**

- o Students are expected to make up all work assigned by a teacher or complete all class work in advance of planned absences for the instructional time that is missed.
- o Students are expected to sign out at the office if leaving school during the school day.
- o In cases of an unexcused absence, the parent will be contacted and apprised of his/her student's absence by the classroom teacher or school secretary.
- o Absences from school for reasons other than illness are discouraged. Excessive unexcused absences may result in truancy intervention.
- o Credit (within programs that award credit) is awarded by a student's home school. Participation in class is required to receive credit.

For more information, see Policy 5301.

## **Truancy**

A student's attendance shall be continuous and consecutive for the school year fixed by the school district in which the child is enrolled. Failure to comply with compulsory education can subject parent(s)/guardian(s) to criminal prosecution.

If a student is reported to be skipping, the school principal will send a letter home to the parents. An officer may be dispatched to transport the student. Skipping school is defined as follows:

- A parent reports that a student is refusing to go to school
- A student is known to be skipping school (witnessed in the community when he/she should be in school)
- A student leaves school without permission
- A student refuses to attend class

When a student is absent 10% of the school year the building principal or designee may provide written notice to the student's parent/guardian encouraging the student's regular daily attendance and explaining the truancy process.

If the Superintendent or designee determines that a student is repeatedly absent from school without valid excuse, is failing, or has behavior problems and attempts to confer with the student's parent/guardian have not been successful, the Superintendent or designee may request the attendance officer who has jurisdiction in the District to send notice to the parent/guardian requiring the parent/guardian to meet with District personnel to discuss the matter.

When a student is absent 25% of the school year, the program supervisor or designee may notify the attendance officer who will investigate and take all other steps permitted and required by law.

For more information, see Policy 5301.

## **BOOKS AND SUPPLIES**

The District will provide free instruction to all students and will not charge a fee for materials necessary to complete required or elective courses. Students and parents may purchase additional supplies at their own expense. The District may charge a reasonable and refundable deposit to cover damage to textbooks and supplies. A teacher may provide a list of suggested materials that students and parents may purchase. Purchasing materials is voluntary and not required for curricular activities.

Students must take care of books and other supplies provided by the District. The District may assess fees to repair or replace District property that is lost, damaged, stolen, returned in a different condition, or not returned on time.

## **BULLETIN BOARDS**

Space may be provided within school buildings or on school electronic media for students and student organizations to post notices about student groups. Rules for posting on bulletin boards are found in Policy 5503.

## **BULLYING**

All types of bullying, including cyberbullying, without regard to subject matter or motivation, are prohibited. The District's Anti-Bullying Policy 5207 is attached to this handbook as Appendix B.

## **CELL PHONE USE**

Students may use cell phones or other electronic devices while at school, so long as they do so safely, responsibly, and respectfully, and comply with all other school rules while using the devices.

Students are personally and solely responsible for the security of their cell phones and other electronic devices. The District is not responsible for theft, loss, or damage of any cell phone or other electronic device.

Students may not use cell phones or other electronic devices while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

Taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal photographs, video, audio, or other similar data, whether by electronic data transfer or otherwise (including via cell phone or other electronic device), may constitute a crime under state or federal law. A student engaged in any of these activities at school, at a school event, or on school-provided transportation, may be subject to discipline. A student engaged in any of these activities outside of school may be disciplined if the student's activities substantially disrupt or negatively affect the school environment.

Teachers may also develop classroom rules for use of cell phones and other electronic devices.

School administrators and teachers may confiscate a student's cell phone or other electronic device if the student's use or possession of a cell phone or electronic device violates Board Policy 5209, the student code of conduct, or any applicable building or classroom rule. The building principal or designee may require a meeting with the student's parent to discuss the rule violation before returning the cell phone or electronic device.

## **CHEATING, PLAGIARISM AND ACADEMIC DISHONESTY**

Students may not cheat, plagiarize, or otherwise participate in academic dishonesty in any form. Unless specifically authorized by a teacher, prohibited behavior may include, but is not limited to:

- Obtaining, attempting to obtain, or aiding another person in obtaining credit for work by any dishonest or deceptive means.
- Copying another person's work or answers.
- Discussing with other students the answers or questions on a test or assignment before the test or assignment has been submitted for a grade.
- Taking or receiving copies of a test.
- Using or displaying notes, "cheat sheets," or other sources of unauthorized information.
- Using the ideas or work of another person as if they were your own without giving proper credit to the source.
- Using artificial intelligence to assist or complete an assignment or test.
- Submitting work or any portion of work completed by another person.

A student who cheats, plagiarizes, or otherwise participates in any academic dishonesty may receive no credit on that assignment or class and will be subject to discipline, up to and including expulsion.

## **CHILDREN'S PROTECTIVE SERVICES INVESTIGATIONS**

The District will cooperate with Children's Protective Services (CPS) during an investigation of suspected child abuse or neglect. Cooperation may include allowing CPS access to a student without parent consent if CPS determines access is necessary to complete the investigation or prevent abuse or neglect. As a matter of law, the identity of an individual who makes a report of suspected child abuse or neglect is confidential and will not be disclosed.

## **CLASSROOM BEHAVIOR**

Teachers may establish classroom conduct rules that students must follow.

The District's center programs utilize school-wide Positive Behavior Interventions and Support to establish the social culture and behavior supports needed for all children in a school to achieve

both social and academic success. All student behavior is considered a function of communication. Behavior, like any skill, can be taught and learned.

As educators we:

- emphasize positive and proactive practices,
- respond to challenging behavior with an instructional focus (i.e., teach and strengthen social, emotional, and behavioral skills to replace the challenging behavior), and
- minimize their use of exclusionary and reactive discipline.

Routines and strategies which promote student success include but are not limited to:

- Structuring the physical environment
- Reducing visual and auditory distractions
- Teaching routines which promote independence
- Keeping directions short and simple
- Using visual supports
- Avoiding power struggles – offering choices whenever possible
- Being flexible
- Teaching behavioral expectations and consequences
- Utilizing positive language (i.e. “keep your feet on the floor” versus “stop kicking”)
- Modeling and reinforcing desired behaviors
- Establishing classroom rules and expectations

Some children may present behaviors that require more intentional measures to ensure that the behaviors do not interfere with learning in the classroom. These measures may be outlined in a Behavior Intervention Plan (BIP). A BIP, although not defined in IDEA and its implementing regulations, is generally understood to mean a component of a child’s educational program designed to address behaviors that interfere with the child’s learning or that of others and behaviors that are inconsistent with school expectations. A BIP generally describes the behavior that inhibits the child from accessing learning and the positive behavioral interventions and other strategies that are to be implemented to reinforce positive behaviors and prevent negative behavior. In the discipline context, such plans are important to prevent the child’s behavior that resulted in disciplinary action from recurring. For a child with a disability whose behavior impedes their learning or that of others, and for whom the IEP Team has determined that a BIP is appropriate, or for a child with a disability whose violation of the code of student conduct is a manifestation of the child’s disability, the IEP Team must include a BIP in the child’s IEP (and review and modify it as necessary) to address the behavioral needs of the child. If a student exhibits a pattern of behavior that poses a risk of creating an emergency situation in the future that could result in the use of emergency seclusion or restraint, school personnel should develop a written emergency intervention plan to protect the health, safety, and dignity of the pupil.

## **COMMUNICABLE DISEASES**

The District, in conjunction with local health department officials, may exclude students who:

- Are suspected of having a communicable disease until a physician or local health department official determines the student is no longer a risk; or
- Lack documentation of immunity or are otherwise considered susceptible to a communicable disease until the local health department officials determine the risk of spreading the disease has passed.

Communicable diseases include, but are not limited to, diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, COVID-19, and other conditions indicated by the local and state health departments. Any removal will only be for the contagious period or as directed by the local health department.

## **DAMAGE TO SCHOOL PROPERTY**

Students who damage school property either intentionally or unintentionally may be subject to discipline and required to pay to replace or restore the property.

## **DRESS AND GROOMING**

In general, clothing should be clean and appropriate for the climate and the situation. Student dress, hair style, make up, cleanliness, or personal appearance that is a threat to the safety, health, or welfare of others; violates any statute, Policy 5101, or the Dress Code; or substantially disrupts the educational environment or that school officials reasonably forecast will substantially disrupt the educational environment, is grounds for remedial or disciplinary action.

The final decision in any situation involving inappropriate attire rests with building administrators.

Students who are dressed inappropriately will be asked to change clothing immediately. If necessary, parents will be called to bring appropriate clothing, students can use extra clothing provided by the District, or the student may be sent home to change. Repeated dress code violations may result in more severe consequences.

### **Dress Code**

Tops must have straps or sleeves and must cover the student's entire torso from armpit to armpit. Pants, shorts, and skirts must have an inseam at least 4 inches in length. Clothing may not display material that:

- Is materially and substantially disruptive or that school officials can reasonably forecast will create a substantial disruption;

- Is obscene, sexually explicit, indecent, or lewd;
- Promotes the use of or advertises illegal substances, including but not limited to substances illegal for minors;
- Incites violence;
- Contains “fighting words”;
- Constitutes a true threat of violence;
- Constitutes hate speech, including, but not limited to, swastikas or Confederate flags;
- Involves a student walkout;
- Urges a violation of law, Board Policy, rule or is not constitutionally protected.

Students who represent the District at an official or school-sponsored function or public event (e.g., athletic teams, bands, choirs, and other groups) may be required to follow specific dress requirements as a condition of participation or attendance.

## **EMERGENCY CONTACT INFORMATION**

Parents must provide emergency information for each student enrolled in the District. The information should include the family physician’s name, contact information for parents or a responsible adult, and any necessary emergency instructions. Parents must promptly inform the school if this contact information changes.

## **FEES**

The District will not charge students a fee to participate in curricular activities. The District may charge students a fee to participate in extracurricular and non-curricular activities to cover the District’s reasonable costs. The District may require students to furnish specialized equipment and clothing required for participation in extracurricular and non-curricular activities or may charge a reasonable fee for the use of District-owned equipment or clothing. The activity’s coach or sponsor will provide students with information about the fees charged and the equipment or clothing required.

## **FOOD SERVICE**

Northwest Education Services understands the impact that access to healthy food has on student learning. North Ed partners with Traverse Areas Public Schools to offer healthy and delicious breakfast and lunch meals to our students in all of our North Ed special education programs. During the 2023-2024 school year, all North Ed program students will have access to free breakfast and lunch each school day due to new State of Michigan legislation.

Even though all students will have access to free meals this school year, we requested that North Ed families complete a free and reduced meal application. The information obtained from these

applications allows districts to apply for grants and state and federal funds for programs that support all students.

The district follows all guidelines regarding school meals specific to portions and diet and will accommodate special diets with proper paperwork from a student's physician. Students requiring a specified feeding plan will be supported through collaboration between the school team, parents, and the student's physician or feeding therapist. These plans may include special preparation of food or special assistance with feeding to ensure student safety during eating activities.

For more details about food service, please reach out to your child's program administrator.

National income guidelines for free and reduced-price food service programs are available ([here](https://www.michigan.gov/mde/news-and-information/press-releases/2023/07/19/2023-national-income-guidelines-for-free-and-reduced-priced-meals)).

## **FIELD TRIPS**

Classes occasionally take field trips off school property for educational enrichment. Each student must submit a completed permission form signed by the student's parent before being allowed to attend a field trip.

A student's failure to comply with Board Policy 5506, the Student Code of Conduct, or any other applicable rules or behavioral expectations while on a field trip may result in disciplinary action and removal or exclusion from the trip or future field trips.

Students who have not met academic or behavioral expectations may not be allowed to attend field trips.

## **FIRST AID, ILLNESS OR INJURY AT SCHOOL**

Students who feel ill or are hurt while at school should seek immediate assistance from their classroom teacher or the nearest staff member.

When the building principal or designee determines that a student is too ill or injured to remain at school, school staff will contact the student's parent or other designated responsible adult to pick up the student from school. If the student requires immediate medical attention, the District will first attempt to contact a parent or other designated responsible adult when reasonably possible. If contact cannot be made, the building principal or designee will take any reasonable action necessary on the student's behalf, consistent with state law.

Students showing symptoms of a communicable disease may be sent home. The District may require a statement from a licensed physician or local health official before allowing the student to return to school.

## **GUARDIANSHIP**

When students reach the age of 18, they become their own legal guardian by law. If parents wish to continue to make educational decisions and provide consent for legal documents, they need to petition the Probate Court for guardianship. Documentation of acquisition of legal guardianship is required for the school to allow parents/guardians to continue to make educational decisions and provide consent for legal documents.

## **HEAD LICE**

A student with nits within ¼ inch of the scalp or live lice may remain at school until the end of the school day. The student will be restricted from activities that involve close head-to-head contact or sharing of personal items. The District will notify the student's parent/guardian and provide educational materials on head lice prevention and treatment.

The student will be readmitted to school after treatment so long as the parent consents to a head examination and the examining District official does not find live lice on the student. If the District official finds nits within ¼ inch of the student's scalp, the student may return to class, but the District must inform the student's parent about the need to remove the nits. District personnel will not ostracize or embarrass a student with lice or nits and will maintain student confidentiality.

If a student has a persistent infestation after 6 weeks or 3 separate cases within 1 school year, the District will form a team that may include the student's parents, teacher, social workers, or administrators to determine the best approach to resolve the issue.

## **STUDENTS EXPERIENCING HOMELESSNESS**

The District will provide a free public education to children and youth experiencing homelessness in the District and will afford them the educational rights and legal protections provided by federal and state law. Support services are provided through McKinney-Vento eligibility. Unhoused students (individuals who lack a fixed, regular, and adequate nighttime residence) will not be stigmatized or segregated based on their homeless status and will have the same access to services offered to students who have secure housing.

A student or family experiencing homelessness should contact the District's McKinney-Vento liaison:

For detailed information about Homeless Children and Youth, see Policy 5307.

## **IMMUNIZATIONS**

For a student entering the District for the first time or entering 7th grade, a parent must provide the building principal or designee with a certificate stating that the student has received at least 1 dose of an immunizing agent against each disease specified by the Michigan Department of Health and Human Services (MDHHS) or other responsible agency or documentation of an applicable approved exemption.

The student's parent must provide the certificate or documentation at the time of registration, or no later than the first day of school. A parent of a student who has not received all doses of any required immunizing agent must provide the District an updated immunization certificate demonstrating that the immunizations have been completed as required by the MDHHS. The updated certificate must be provided within 4 months of the student entering the District for the first time or upon entering 7th grade. The District will not permit a student to attend school unless the parent provides evidence of immunizations or exemptions consistent with Policy 5713 and state law.

## **LAW ENFORCEMENT INTERVIEWS**

Law enforcement officers may be called to the school at the request of school administration. Students may be questioned by law enforcement consistent with Policy 5201. Students may be questioned by school officials at any time, without parent notice or consent, consistent with the District's obligation to maintain a safe and orderly learning environment.

## **LIMITED ENGLISH PROFICIENCY**

Limited proficiency in the English language should not be a barrier to a student's equal participation in the District's instructional or extracurricular programs. Those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extracurricular programs offered by the District.

## **LOCKER USE**

Pursuant to Policy 5102, lockers are District property and may be made available for student use. Lockers are assigned to students on a temporary basis, and District administration may revoke a student's locker assignment at any time. The District retains ownership of lockers notwithstanding student use.

Students have no expectation of privacy in their lockers. The building principal or designee may inspect lockers without any particularized suspicion or reasonable cause and without advance notice. Upon the request of the building principal or designee, law enforcement may assist with searching lockers.

During a locker search, student privacy rights will be respected for any items that are not illegal or do not violate Board Policy or building rules.

## LOST AND FOUND

All lost and found items are to be taken to the school office. Students may claim lost articles there. Unclaimed items may be donated to a local charity or otherwise disposed of at the conclusion of each school year.

## MEDICATION

Children's health conditions sometimes make it necessary for them to receive medication during school hours. The school is able to assist in the administering of medication following the policies and guidelines summarized below:

All medications, including prescription, over-the-counter, herbal remedies, supplements, and vitamins require the submission of an Authorization for Medication Administration form. This form must be completed with the physician's signature and include written authorization from the parents before any medication can be administered by staff.

- In the event that the medication is no longer necessary, or the prescription is modified, the school must be notified immediately, and a new physician's order submitted.
- **Medication may only be delivered to school by a parent or the bus driver using the District-approved medication envelope which is properly completed.** Medication may not be sent in the child's lunch box, pocket or backpack. If a child needs prescription pain medication after surgery or injury, they must recover at home until this medication is no longer needed during school hours.
- One medication form is needed for each medication.
- New Authorization for Administration of Medication forms, complete with physician signature and parent authorization, are required for each school year.
- If your child misses his/her morning medication at home, please do not send him/her to school until the medication is received.
- Nurses or trained school personnel may apply topical school-stocked ointments or skin protectants and use wound cleansers for minor medical concerns identified by the nurse on an as-needed basis (to students with no documented allergy to the products), without obtaining a medication authorization form. The school stocked supplies include:

Saline	Dermoplast Pain Relieving Spray	Aquaphor
Triple Antibiotic Ointment	Lip Guard	Deodorant
Hydrocortisone Cream	Burn Cream/Gel	Epsom Salt
Antifungal Cream	Hydrogen Peroxide	Eucerin Cream
Vitamin A&D Ointment	Zinc Oxide Skin Protectant	Toothpaste
Petroleum Gel	Hand Sanitizer	
Liquid Bandage	Sunblock	

For additional information and requirements, see Policy 5703.

## **PARTIES**

Classes may have seasonal or curriculum-related parties during the year. Students must follow all expectations and rules established by the teacher or other relevant staff during the party. Invitations for private parties and non-school-sponsored events may not be distributed in the classroom.

## **PLAYGROUND USE**

Staff will supervise students when the students use the playground or recess area during the school day or as part of a school activity. At all other times and circumstances, the District does not provide supervision of its playgrounds, equipment, or surrounding areas.

## **PROTECTION OF PUPIL RIGHTS**

The District respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy as required by law. The policy is available on the District's website or upon request from the District's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the Superintendent. Parents may have access to any survey or other material described in the Protection of Pupil Rights Policy 5308 by submitting a written request to the Superintendent. A copy of the District's annual notice to parents regarding the Protection of Pupil Rights Amendment is attached as Appendix E.

## **RIGHTS OF CUSTODIAL AND NON-CUSTODIAL PARENTS**

Unless a parent has provided the building principal or designee with a court order that provides otherwise, District personnel will treat each parent, regardless of custody or visitation rights, the same as to accessing student records, meeting and conferring with District personnel, visiting a child at school, and transporting a child to or from school. District personnel are not responsible for enforcing visitation or parenting time orders.

Parents, regardless of custodial status, will be provided information about conference times so both parents may attend a single conference. The District is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff may terminate a conference and reschedule it with appropriate modifications or expectations.

## **SEARCH AND SEIZURE**

To maintain order and discipline in school and protect the safety and welfare of students and school personnel, school authorities may search a student or the student's personal effects (e.g., purse, book bag, athletic bag) as permitted by law and may seize any illegal, unauthorized, or

contraband materials discovered in the search. As noted in “Locker Use,” student lockers and desks are school property and remain at all times under the District’s control. Student lockers and desks are subject to search at any time for any reason and without notice or consent.

School officials may use canines, metal detectors, wands, or other tools to conduct searches.

A student’s failure to permit a search and seizure may be grounds for disciplinary action. A student’s person and personal effects may be searched whenever a school official has reasonable suspicion to believe that the student possesses illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, these items may be turned over to law enforcement.

## **STUDENT EDUCATION RECORDS**

The District may collect, retain, use, and disclose student education records consistent with state and federal law. See Policy 5309 for an overview of the District’s collection, retention, use, and disclosure of student records.

Parents may inspect and review their minor child’s education records, regardless of custody status, unless a court order specifies otherwise. An eligible student (i.e., a student who is 18 years or older or an emancipated minor) may also inspect and review their education records.

### **Right to Request Explanation or Interpretation**

A parent or eligible student may request, in writing, an explanation or interpretation of a student’s education records. School officials will respond to any reasonable request.

### **Right to Request Amendment of Education Records**

A parent or eligible student may request that a student’s education record be amended if the parent or eligible student believes the record is inaccurate, misleading, or otherwise in violation of the student’s privacy rights as explained in Policy 5309.

### **Directory Information**

“Directory information” is the information contained in a student’s education record that would not generally be considered harmful or an invasion of privacy if disclosed. The Board designates the following as directory information:

- a. student names, addresses, and telephone numbers;
- b. photographs, including photographs and videos depicting a student’s participation in school-related activities and classes;
- c. major field of study;
- d. grade level;
- e. enrollment status (e.g., full-time or part-time);
- f. dates of attendance (e.g., 2013-2017);
- g. participation in officially recognized activities and sports;

- h. weight and height of athletic team members;
- i. degrees, honors, and awards received; and
- j. the most recent educational agency or institution attended.

School officials may disclose “directory information” without the prior written consent of a parent or eligible student unless the parent or eligible student specifically notifies the District that the parent or eligible student does not consent to the disclosure of the student’s directory information for 1 or more of the uses for which the District would commonly disclose the information.

A Directory Information Opt Out Form is attached to this handbook as Appendix F. This form allows the parent or eligible student to elect not to have the student’s directory information disclosed for 1 or more of the listed uses. Upon receipt of a completed Directory Information Opt Out Form, school officials may not release the student’s directory information for any of the uses selected on the form.

## **STUDENT AND FAMILY SCHOOL RELATIONS**

Collaboration between home and school is important to the success of students! Open communication is a necessary component of collaboration. Parents are encouraged to contact their child’s teacher whenever they have questions or concerns. Parents are further encouraged to contact the program supervisor if they feel their questions or concerns have not been adequately addressed.

District Board Policy 9130 outlines a process for submitting complaints that have been unresolved. In general, a parent or student should first discuss the complaint with the program supervisor. If unresolved, a written complaint and a request for a conference should be sent to the Assistant Superintendent of Special Education.

### **Incident Report**

Incident reports are used to document unusual events or occurrences including situations in which crisis intervention is necessary, behaviors that lead to suspension from school, and behaviors leading to other disciplinary measures.

Parents will receive copies of completed incident reports. Parents will be notified within 24 hours of incidents involving the use of emergency restraint or seclusion.

### **IDEA Procedural Safeguards**

“Procedural Safeguards for Parents of Students with Disabilities” is a document that explains the rights and safeguards provided under the Individuals with Disabilities Education Act (IDEA 2004). A copy of this document will be provided to you by the school at least annually. You may also access a copy of the Safeguards on the North Ed website (<https://www.northwested.org/academic-services/special-education/parent-resources/>). If you

would like an additional copy of this document or need assistance in understanding the provisions of IDEA, please contact the program supervisor. (<http://idea.ed.gov/>)

## **TECHNOLOGY**

Use of District technology resources is a privilege, not a right. Students are expected to use computers, the Internet, and other District technology resources for school-related educational purposes only. Students and their parents are required to sign and return the Acceptable Use Agreement attached as Appendix E before they may use or access District technology resources. Students who violate the District's Acceptable Use Agreement may have technology privileges terminated or suspended and may be subject to discipline, up to and including expulsion.

## **TRANSPORTATION SERVICES**

Students attending North Ed special education programs are provided transportation to and from their programs by their resident school districts in accordance with their IEP's. Many of the districts within the North Ed region are part of a consortium that contracts with Dean Transportation to provide these transportation services.

While students are expected to follow school conduct rules while riding the bus, we understand that many students attending North Ed programs may need additional support to achieve this expectation. A student's failure to comply with Board Policy, applicable codes of conduct, and any other applicable rules or behavioral expectations while using District-provided transportation, including while at a designated bus stop, may result in disciplinary action.

When a student's behavior becomes a safety concern, the transportation team, school team, and parents may meet to develop a Transportation Behavior Support Plan. Video cameras are placed on vehicles and buses to monitor student behavior on the vehicle/bus.

When a student has a health concern that requires a transportation health plan, the school nurse will work with the Transportation Support Nurse to develop a plan based on information obtained from the student's physician and parents. The Transportation Support Nurse is responsible for training transportation staff and is available to transportation staff by phone during busing times to address health-related questions or concerns.

## **VIDEO SURVEILLANCE AND PHOTOGRAPHS**

The District may monitor any District building, facility, property, bus, or vehicle with video recording equipment other than areas where a person has a legally recognized and reasonable expectation of privacy (e.g., restrooms and locker rooms). Except in those school areas, a person has no expectation of privacy.

The District may use video recordings for any lawful purpose, including student discipline, assisting law enforcement, or investigations.

Students may not make recordings: on school property; when on a vehicle owned, leased, or contracted by the District; or at a school-sponsored activity or athletic event unless otherwise authorized by Policies 5210 or 5805, applicable law, or a District employee.

Students who attend programs through Northwest Education Services may be asked to participate in photo opportunities while involved in school activities. Student reference may be used for editorial, illustrative, or promotional purposes designed to represent and support North Ed programs and services and student success. Publication activities may include use of a student's first name only, individual or group photos, school-approved videos, digital or electronic media, or the ISD website. The district works to represent students in a positive light and strives to protect student privacy by obtaining parental consent prior to publication. Photo release forms are issued at the start of each school year or can be obtained from the school office.

## **VISITOR EXPECTATIONS**

While we welcome parents and visitors, we also seek to provide continuity of instruction and abide by the federal law regarding privacy and confidentiality of students. When picking up or dropping off your child, please stop at the front desk and notify the secretary.

Parents are welcome to visit and observe classroom programs. We generally ask that parents and visitors limit their time in the classroom to no more than thirty minutes per visit. Longer visits may occur with prior approval. Please call ahead to make an appointment with the program supervisor. When you arrive, please sign-in at the front office. Please wait until the secretary has notified the classroom of your arrival. Visitors will also be asked to sign a confidentiality policy form.

All visitors are expected to abide by the same code of conduct as indicated for students in the handbook, including demonstrating self-respect, respect for others, and respect for property. Additionally, visitors must demonstrate appropriate behavior that allows everyone an equal opportunity to learn.

### **Volunteers**

Programs and activities can be enhanced with volunteers who have particular knowledge or skills that will be helpful to members of the professional staff responsible for the conduct of those programs and activities (Board Policy 3105). Individuals interested in volunteer opportunities should contact the program supervisor. Any volunteer who works with or has access to students shall be screened through the Internet sites for the Sex Offenders Registry (SOR) list, the Internet Criminal History Access Tool (ICHAT) criminal history records check, and the Offender Tracking Information System (OTIS) prior to being allowed to participate in any activity or program.

Each volunteer shall:

- A. agree to abide by all Board policies and district guidelines while on duty as a volunteer including signing, if appropriate, the district's Network and Internet Access Agreement Forms;
- B. be covered under the district's liability policy but the district cannot provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the person eligible for workers compensation;
- C. be asked to sign a form releasing the district of any obligation should the volunteer become ill or receive an injury as a result of his/her volunteer services.

## **WITHDRAWAL FROM SCHOOL**

Students who are transferring from the District are requested to submit written notice to the building principal at least 1 week before the withdrawal.

### **Enrolling Student in Another School**

If a student withdraws from a North Ed center-based program and a request for records is not received from the student's new district within ten (10) school days, the North Ed center-based program will take further action to ensure that the student has enrolled in school.

If a parent elects to homeschool a student, written notification must be made to the building administrator by the parents.

## **SECTION II: ACADEMICS**

Creekside School only: To encourage students and parents to stay apprised of student academic information, grades, attendance, and other information can be accessed via PowerSchool.

To register for PowerSchool parent/guardian access, contact the Creekside School office.

### **HOMEWORK**

Depending on the program, classroom teachers may assign homework. Parents who have questions about homework or concerns about class work should contact their student's teacher.

### **PERSONAL CURRICULUM**

For some students, it may be appropriate to modify the Michigan Merit Curriculum through implementation of a personal curriculum. All students who have completed 9<sup>th</sup> grade are entitled to a personal curriculum, and the District will implement a personal curriculum for a student if requested by a parent or by the student if the student is age 18 or older. Any modification to the Michigan Merit Curriculum must be consistent with Michigan law and must incorporate as much of the Michigan Merit Curriculum content standards as practicable for the student. The District retains discretion to determine what modifications to the Michigan Merit Curriculum are appropriate for a particular student through a personal curriculum. A student who successfully completes an approved personal curriculum will earn a regular high school diploma.

To request a personal curriculum, please contact the center supervisor where your student is enrolled.

For additional information about the Michigan Merit Curriculum and Personal Curriculum, see Policy 5409.

### **PLACEMENT**

The District has the sole discretion to make promotion, retention, and placement decisions for its students, consistent with state and federal law. The District may consider parent requests that a student be placed in a particular classroom, building, educational program, or grade. The District's placement decision is final.

### **STUDENTS WITH DISABILITIES**

Eligible students with disabilities under the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act are entitled to a free appropriate public education. The District will follow state and federal law and applicable rules and regulations in identifying, locating, evaluating, and educating students with disabilities.

## **200-DAY PROGRAMMING**

Programs designated as SXI and SCI operate for 200 days, with 21 of those days during June, July and August. The schedule will be distributed in the spring.

Programs designated as ASD operate enrichment programming during the summer and the schedule will be distributed in the spring.

## **HOMEBOUND/HOSPITALIZED SERVICES**

Homebound/hospitalized services provide instruction for students who are unable to attend school due to a physical or medical condition and must be confined to the home or are hospitalized. Requests for homebound/hospitalized services must be made by a physician licensed in the state of Michigan. The physician must certify a medical condition that requires that the student must be confined to the home or hospitalized during regular school hours, state the probable duration of confinement, indicate the student's ability to participate in instruction, and specify any limitations imposed by the student's medical treatment program. Homebound and hospitalized services shall not be substituted for special education programs. Students whose health allows them to attend school even on a reduced schedule should do so. Students receiving homebound or hospital services shall receive a minimum of two non-consecutive hours of instruction per week. Parents are directed to contact the building administrator should their child or student require home confinement due to medical conditions or hospitalization.

## **WORK PERMITS**

Information about student work permits is available at the school office.

## **SECTION III: STUDENT ACTIVITIES**

Students are encouraged to participate in the various student clubs, activities, and athletics offered by their resident school District.

Participation in extracurricular activities is a privilege, not a right. Students are encouraged to participate in extracurricular activities offered by North Ed and the resident district. Participation is open to students who meet the eligibility requirements established by their resident District and any applicable governing body.

A District has exclusive control over extracurricular activities including, but not limited to, formation, naming, structure, operation, financing, and discontinuance.

For more information, see Policy 5507.

## **SECTION IV: DISCIPLINE AND CODE OF CONDUCT**

### **DISCIPLINE GENERALLY**

The District may discipline students who engage in misconduct, up to and including suspension or expulsion from school.

The District will take steps to effectively discipline students in a manner that appropriately minimizes out-of-school suspensions and expulsions. The District will comply with applicable laws related to student discipline, including the consideration of specific factors and possible use of restorative practices.

If an administrator determines that an emergency requires the immediate removal of a student from school, the administrator may contact the student's parent or local law enforcement or take other measures to have the student safely removed from school.

Students who are involved in extracurricular activities and engage in misconduct may face consequences related to the activity in addition to the consequences provided in this handbook.

The District reserves the right to refer to an appropriate non-school agency any act or conduct which may constitute a crime. The District will cooperate with those agencies in their investigations as permitted by law.

The District's rules and policies apply to any student who is on school property or school-affiliated transportation, who is in attendance at school or at any school-sponsored activity or function, or whose conduct at any time or place directly interferes with the operation, discipline, or general welfare of the school, regardless of location, date, or time.

### **FORMS OF SCHOOL DISCIPLINE & APPLICABLE DUE PROCESS**

#### **In-School Suspension**

The building administrator may require a student to serve in-school suspension, during which students follow strict rules and must work on assignments the entire time, except for short breaks. Students not completing their In-School Suspension will face further disciplinary action.

#### **Suspension from Class, Subject, or Activity by Teacher**

A teacher may suspend a student from any class, subject, or activity for up to 1 full school day if the teacher has good reason to believe that the student:

- intentionally disrupted the class, subject, or activity;
- jeopardized the health or safety of any of the other participants in the class, subject, or activity; or
- was insubordinate during the class, subject, or activity.

Any teacher who suspends a student from a class, subject, or activity must immediately report the suspension and its reason to the building principal or designee. If a student is suspended from a class, subject, or activity, but will otherwise remain at school, the building principal or designee must ensure that the student is appropriately supervised during the suspension and, if the student is a student with a disability, that all procedures applicable to students with disabilities are followed.

Any teacher who suspends a student from a class, subject, or activity must, as soon as possible following the suspension, request that the student's parent attend a parent/teacher conference to discuss the suspension. The building principal or designee must attend the conference if either the teacher or the parent requests the building principal's attendance. The building principal or designee must make reasonable efforts to invite a school counselor, school psychologist, or school social worker to attend the conference.

### **Removal for 10 or Fewer School Days**

Before a student is suspended for 10 or fewer school days, an administrator will: (1) provide the student verbal notice of the offense the student is alleged to have committed, and (2) provide the student an informal opportunity to respond and explain what happened. Except in emergency circumstances, an administrator will not suspend the student unless, after providing the student notice and an opportunity to explain, the administrator is reasonably certain that the student committed a violation of the Student Code of Conduct and that suspension is the appropriate consequence. The building administrator will consider the 7 factors provided in the Student Code of Conduct before suspending a student.

### **Removal for More than 10 and Fewer than 60 School Days**

Before a student is suspended for more than 10 school days but less than 60 school days, the Superintendent or designee will provide the parent or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a hearing at which the student may present evidence and witnesses to show that the student did not commit the alleged offense or that suspension is not an appropriate consequence.

The Superintendent or designee will provide the parent or student at least 3 calendar days' notice before the hearing. The parent and student may be represented, at their cost, by an attorney or another adult advocate at the hearing.

The Superintendent or designee will not suspend the student unless, following the hearing, he or she is convinced by a preponderance of the evidence that the student committed a violation of the Student Code of Conduct and that suspension is the appropriate consequence. The

Superintendent or designee will consider the 7 factors noted in the Student Code of Conduct before suspending a student.

### **Removal for 60 or More School Days**

Before the Board suspends or expels a student, the Superintendent or designee must provide the parent or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a Board hearing at which the student may present evidence and witnesses to show that the student did not commit the suspected offense or that suspension or expulsion is not an appropriate consequence.

The Superintendent or designee will provide the parent or student at least 3 calendar days' notice before the hearing. The parent and student may be represented, at their cost, by an attorney or another adult advocate at the hearing.

The Board will not suspend or expel the student unless, following the hearing, a majority of the Board finds by a preponderance of the evidence that the student committed misconduct that should result in suspension or expulsion under either the Student Code of Conduct or Board Policy and that suspension or expulsion is the appropriate consequence. The Board will consider the 7 factors noted in the Student Code of Conduct before suspending or expelling a student. The Board's decision is final.

## **STUDENT CODE OF CONDUCT**

This Student Code of Conduct is meant to be a guide and is subject to the discretion of administration and the Board.

Administration will, as required or permitted by state law, always consider the use of restorative practices as an alternative to, or in addition to suspension or expulsion. Nothing in the following table limits the District's ability to impose more or less severe disciplinary consequences depending on the situation's unique circumstances and the following factors:

1. the student's age;
2. the student's disciplinary history;
3. whether the student has a disability;
4. the seriousness of the behavior;
5. whether the behavior posed a safety risk;
6. whether restorative practices will be used to address the behavior; and
7. whether a lesser intervention would properly address the behavior.

Nothing in this handbook limits the District’s authority to discipline a student for conduct that is inappropriate in school, but that is not specifically provided in this table. Depending on the circumstances of a particular situation, separate athletic or extracurricular sanctions may be imposed, in accordance with the applicable handbook or rules.

#### **3118 Title IX Sexual Harassment**

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and corresponding implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of unlawful discrimination and harassment (e.g., race, age, disability) that cannot be reasonably separated into two distinct complaints should be investigated under this Policy. Investigating other forms of discrimination, including harassment and retaliation, through this Policy will fulfill the District's investigation requirements under Policies 4104 or 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and any person designated to facilitate an informal resolution process cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

#### **A. Definitions**

For purposes of this Policy, the below terms are defined as follows:

1. "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

- a. A District employee conditioning the provision of a District aid, benefit, or service on a person's participation in unwelcome sexual conduct;
  - b. Unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
  - c. Sexual assault, dating violence, domestic violence, or stalking, as defined by the Violence Against Women Act, 34 USC § 12291 et. seq., and the uniform crime reporting system of the Federal Bureau of Investigation, 20 USC 1092(f)(6)(A)(v).
    - i. "Sexual assault" means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
    - ii. "Dating violence" means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
    - iii. "Domestic violence" means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Michigan.
    - iv. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.
2. "Actual Knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
  3. "Appeals Officer" is the person designated by the District to handle appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.

4. "Complainant" is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
5. "Consent" means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.
6. "Day," unless otherwise indicated, means a day that the District's central office is open for business.
7. "Decision-Maker" is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker's conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
8. "Education Program or Activity" means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
9. "Formal Complaint" means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
10. "Grievance Process" is the process by which the District handles Formal Complaints.
11. "Investigator" is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.
12. "Report" means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
13. "Respondent" is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.

14. "Supportive Measures" are non-disciplinary, non-punitive, individualized services offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.
15. "Title IX Coordinator" is the person(s) designated by the District to coordinate the District's Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on a specific matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

#### B. Posting Requirement

The Title IX Coordinator's contact information (name or title, office address, electronic mail address, and telephone number), along with the District's Title IX nondiscrimination statement, must be prominently posted on the District's website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator's name or title, office address, electronic mail address, and telephone number.

#### C. Designation of Title IX Coordinator

The District designates the following person(s) as the Title IX Coordinator:

Emily Quinn, Director of Human Resources  
1101 Red Drive, Traverse City, MI 49684  
231-922-6417  
[equinn@northwested.org](mailto:equinn@northwested.org)

#### D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using

the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person's verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

## E. General Response to Sexual Harassment

### 1. District's Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

### 2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

### 3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using the Title IX Sexual Harassment Formal Complaint Form.

### 4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

## 5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

## 6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge to all parties and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. Course-related adjustments, such as deadline extensions;
- c. Modifications to class or work schedules;
- d. Provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. No-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

## 7. Respondent Removal

- a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

1. Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or

Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person’s status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include absence of a party, party’s advisor, or witness; concurrent law enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

## 2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. A copy of this Policy, which includes the District’s Grievance Process, and any informal resolution process;
- b. The sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;
- c. A statement that the Respondent is presumed not responsible for the alleged conduct;
- d. A statement that a determination of responsibility is made at the Grievance Process’s conclusion;

- e. A statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. A statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and
- g. If the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during the disciplinary process, a citation to that portion of the Code of Conduct. If the Code of Conduct does not address false statements by students, the notice is not required to include any reference.

If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in this notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

### 3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. Allegations;
- b. Informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. Right to withdraw from informal resolution and resume the Grievance Process at any time prior to agreeing to a resolution; and

- d. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared

#### 4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

##### a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, in any meeting or Grievance Process proceeding. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Superintendent or designee may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully

respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. Afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and
- b. Provide each party with the answers, and allow for additional, limited follow-up questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. Identification of the sexual harassment allegations;
- b. Description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
  - i. Notification to the parties;
  - ii. Party and witness interviews;
  - iii. Site visits;
  - iv. Methods used to collect evidence; and
  - v. Hearings held.
- c. Factual findings that support the determination;
- d. Conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
- e. A statement of, and rationale for, the result as to each allegation, including:
  - i. A determination of responsibility;
  - ii. Any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
  - iii. Whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.
- f. Appeal rights

## 6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

## G. Dismissal

### 1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a. The Formal Complaint's allegations, even if proven, would not constitute sexual harassment as defined in this Policy;
- b. The Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. The Formal Complaint's allegations did not occur in the United States.

### 2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. The Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. The Respondent's enrollment or employment ends; or
- c. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

#### H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

#### I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

1. Providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities;
2. Offering the parties school-based counseling services, as necessary;
3. Providing the parties with academic support services, such as tutoring, as necessary;
4. Rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
5. Moving the Complainant's or the Respondent's locker or work space;
6. Issuing a "no contact" directive between the Complainant and Respondent;

7. Providing counseling memoranda with directives or recommendations;

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

1. Assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
2. Additional staff training;
3. A climate survey; or
4. Letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.

J. False Statements

Any person who knowingly makes a materially false statement in bad faith in a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation

against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

#### M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

1. The definition of sexual harassment;
2. The scope of the District's education programs or activities;
3. How to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
4. How to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

## N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

## O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

U.S. Department of Education Office for Civil Rights  
1350 Euclid Avenue, Suite 325  
Cleveland, Ohio 44115  
Phone: (216) 522-4970  
E-mail: [OCR.Cleveland@ed.gov](mailto:OCR.Cleveland@ed.gov)

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

## **APPENDIX B: Series 5000: Students, Curriculum, and Academic Matters**

### **5200 Student Conduct and Discipline**

#### ***5207 Anti-Bullying Policy***

All types of bullying, including cyberbullying, without regard to subject matter or motivating animus, are prohibited.

##### **A. Prohibited Conduct**

1. Bullying, including cyberbullying, a student at school is prohibited. Bullying is any written, verbal, or physical act, or electronic communication that is intended to or that a reasonable person would know is likely to harm one or more students directly or indirectly by doing any of the following:
  - a. substantially interfering with a student's educational opportunities, benefits, or programs;
  - b. adversely affecting a student's ability to participate in or benefit from the District's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
  - c. having an actual and substantial detrimental effect on a student's physical or mental health; or
  - d. causing substantial disruption in, or substantial interference with, the District's orderly operations.
2. Retaliation or false accusations against the target of bullying, anyone reporting bullying, a witness, or another person with reliable information about an act of bullying, are prohibited.

##### **B. Reporting an Incident**

If a student, staff member, or other person suspects there has been a bullying incident, the person must promptly report the incident to the building principal or designee, or to the Responsible School Official(s), as defined below.

A report may be made in person, by telephone, or in writing (including electronic transmissions). If a bullying incident is reported to a staff member who is not the building principal, designee, or a Responsible School Official, the staff member must promptly report the incident to the building principal, designee, or a Responsible School Official.

To encourage reporting of suspected bullying or related activities, each building principal, after consulting the Responsible School Official(s), will create, publicize, and implement a system for anonymous reports. The system must emphasize that the District's ability to investigate anonymous reports may be limited.

Complaints that the building principal has bullied a student must be reported to the Superintendent. Complaints that the Superintendent has bullied a student must be reported to the Board President. Complaints that a teacher/staff member has bullied a student must be reported to the building principal.

#### C. Investigation

All bullying complaints will be promptly investigated. The building principal or designee will conduct the investigation, unless the building principal or Superintendent is the subject of the investigation. If the building principal is the subject of the investigation, the Superintendent or designee will conduct the investigation. If the Superintendent is the subject of the investigation, the Board President will designate a neutral party to conduct the investigation.

A description of each reported incident, along with all investigation materials and conclusions reached, will be documented and retained.

#### D. Notice to Parent/Guardian

If the investigator determines that a bullying incident has occurred, the District will promptly notify the victim's and perpetrator's parent/guardian in writing.

#### E. Annual Reports

At least annually, the building principal or designee, or the Responsible School Official, must report all verified bullying incidents and the resulting consequences, including any disciplinary action or referrals, to the Board.

The District will annually report incidents of bullying to MDE in the form and manner prescribed by MDE.

#### F. Responsible School Official

The Superintendent is the "Responsible School Official" for this Policy and is responsible for ensuring that this Policy is properly implemented. This appointment does not reduce or eliminate the duties and responsibilities of the building principal or designee as described in this Policy.

#### G. Posting/Publication of Policy

The Superintendent or designee will ensure that this Policy is available on the District's website and incorporated into student handbooks and other relevant school publications.

The Superintendent or designee will submit this Policy to the MDE within 30 days after its adoption.

## **APPENDIX C: ASBESTOS CONTROL PROGRAM**

August 2023

Northwest Education Services presently operates an asbestos control program in accordance with the Asbestos Hazard Emergency Response Act (AHERA) of 1986, 1987 as amended. This plan is presently on file at the State of Michigan Asbestos Program and the EPA Region V in Chicago, Illinois. All known asbestos containing materials (ACMs) have been documented in the “Management Plan” and are available for public review in the Custodial/Maintenance Office at the Administration Building, 1101 Red Drive, Traverse City or in the principal’s office of each individual school.

The school satisfies the requirements of AHERA and OSHA by performing periodic surveillance every six months to assure that ACM conditions do not change and has documented annual asbestos training for all of its affected employees. For additional questions regarding ACM in the district or in any leased facilities, please contact Ryan Rosa at 231-922-6200.

## APPENDIX D: INTEGRATED PEST MANAGEMENT ADVISORY

### 2023/2024 ADVISORY TO ALL PARENTS

Dear Parent/Guardian:

Northwest Education Services (North Ed) has adopted an Integrated Pest Management program. Inherent with this are North Ed's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, this program **does not** rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem.

As required by Michigan law, you will receive advanced notice of non-emergency application of a pesticide (insecticide, fungicide, or herbicide), other than bait or gel formulation, which is made to the school, school grounds, or buildings. This advance notice of a pesticide application will be given 48 hours before the application by the following two methods:

- 1) Posting at the primary entrances to your child's school. The entrances that will be posted are the main entrance and those that have a sidewalk that leads directly to a parking lot.
- 2) Posting in the common area located by the main office of the school.

Please note that notification is not given for use of sanitizers, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be promptly notified following any such application, via the two posting methods identified (above).

You may review the school's Integrated Pest Management program and records of any pesticide application upon request by contacting the Office of the Principal at our center sites.

Staff who are working at a school building are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the application, if they so request. If you would like to be notified by mail, please contact the Office of the Principal at your center site. Please give your name, mailing address and they will put your name on the advance notification by US mail list.

##### **A. Surveys, Analyses, and Evaluations**

Parents/guardians may inspect any survey created by a third party before that survey is administered or distributed to their student. All survey inspection requests must be made in writing to the building principal before the survey's scheduled administration date.

The District must obtain written consent from a student's parent/guardian before the student is required to participate in a survey, analysis, or evaluation funded, in whole or in part, by the U.S. Department of Education that would reveal sensitive information. For all other surveys, analyses, or evaluations that would reveal sensitive information about a student, the District will provide prior notice to the student's parent/guardian and an opportunity for the parent/guardian to opt their student out.

Employees may not request or disclose the identity of a student who completes a survey, evaluation, or analysis containing sensitive information.

"Sensitive information" includes:

- political affiliations or beliefs of the student or the student's parent/guardian;
- mental or psychological problems of the student or the student's family;

- religious practices, affiliations, or beliefs of the student or the student's parent/guardian; or
- income (other than that required by law to determine eligibility for participating in a program or for receiving financial assistance under that program).

##### **B. Invasive Physical Examinations**

Parents/guardians may refuse to allow their students to participate in any non-emergency, invasive physical examination or screening that is: (1) required as a condition of attendance, (2) administered and scheduled by the District, and (3) not necessary to protect the immediate health and safety of a student.

“Invasive physical examination” means:

1. any medical examination that involves the exposure of private body parts; or
2. any act during an examination that includes incision, insertion, or injection into the body that does not include a hearing, vision, or scoliosis screening.

#### C. Collection of Student Personal Information for Marketing

No employee will administer or distribute to students a survey or other instrument for the purpose of collecting personal information for marketing or selling that information.

“Personal information” means individually identifiable information that includes:

1. student’s and parents’/guardians’ first and last name;
2. home or other physical address;

3. tests and assessments to provide cognitive, evaluative, diagnostic, or achievement information about students; or
4. student recognition programs.

#### D. Inspection of Instructional Material

Parents/guardians may inspect instructional material consistent with Policy 5401.

#### E. Notification of Rights and Procedures

The Superintendent or designee will notify parents/guardians of:

1. this Policy and its availability upon request;
2. how to opt their child out of participation in activities as provided for in this Policy;

3. the approximate date(s) when a survey, evaluation, or analysis that would reveal sensitive information is scheduled or expected to be scheduled;
4. the approximate date(s) when the District or its agents intend to administer a non-emergency, invasive physical examination or screening required as a condition of attendance (except for hearing, vision, or scoliosis screenings); and
5. how to inspect any survey or other material described in this Policy.

This notification will be given to parents/guardians at least annually at the beginning of the school year and within a reasonable period after any substantive change to this Policy.

Parents/guardians who believe their rights have been violated may file a complaint with:

### Directory Information Opt-Out

Student's Name: \_\_\_\_\_

Due Date: Sept. 15

School District: \_\_\_\_\_

Grade: \_\_\_\_\_

The Family Educational Rights and Privacy Act (FERPA) requires that Northwest Education Services obtain your written consent prior to the disclosure of personally identifiable information from your child's education records, unless certain conditions specified by FERPA are met. FERPA distinguishes between personally identifiable information and directory information, however, and the District may disclose appropriately designated "directory information" without your written consent, unless you have advised the District to the contrary.

If you *do not* want your student's directory information released for one or more of the purposes listed below, please complete this form and return it to your student's school office by September 15, 2023.

If you fail to complete and return this form, the District will presume that you give permission to release your student's directory information for all the uses listed below.

Your Opt-Out request will be recorded in the student information system and kept on file in the school's office for 1 school year.

Directory information includes:

#### A. Definitions

1. An "education record" is a record directly related to a student that the District or its agents maintain, except that an education record does not include:
  - a. records kept in the maker's sole possession that are used as a personal memory aid and that are not accessible or revealed to any person except a temporary substitute for the maker;
  - b. records maintained by a law enforcement unit of the District, as defined by the Family Educational Rights and Privacy Act (FERPA), if the record was created for a law enforcement purpose;
  - c. records relating to a student who is at least 18 years old that are created or maintained by a psychiatrist, psychologist, or other recognized professional or paraprofessional acting or assisting in that capacity that are created or maintained only for the student's treatment (exclusive of remedial educational activities or educational activities that are part of the District's instructional program) and that are disclosed only to persons providing treatment

## Northwest Education Services

- (except that the records may be personally reviewed by a physician or other appropriate professional of the student's choice);
- d. records created or received by the District after a person is no longer a student in the District and that are not directly related to the person's attendance as a student in the District;
  - e. grades on peer-graded papers or assignments before they are collected or recorded by a teacher; or
  - f. records relating to a person employed by the District that are maintained in the normal course of business, relate only to the person's employment, and are not available for any other purpose. Records relating to a person employed as a result of that person's status as a student are, however, "education records."
2. "Personally identifiable information" means a student's name; the name of a student's parent/guardian or family member; the student's address or the address of a family member; a personal identifier, such as the student's social security number, student number, or biometric record; other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name; other information that alone or in combination is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who the District reasonably believes knows the identity of the student to whom the education record relates.
3. "Directory information" is the information contained in a student's education record that would not generally be considered harmful or an invasion of privacy if disclosed. The Board designates the following as directory information:
- a. student names, addresses, and telephone numbers;
  - b. photographs, including photographs and videos depicting a student's participation in school-related activities and classes;
  - c. major field of study;
  - d. grade level;
  - e. enrollment status (e.g., full-time or part-time);
  - f. dates of attendance (e.g., 2013-2017);
  - g. participation in officially recognized activities and sports;
  - h. weight and height of athletic team members;
  - i. degrees, honors, and awards received; and

- j. the most recent educational agency or institution attended.

The Board further designates District-assigned student email addresses as directory information for the limited purposes of: (1) facilitating the student's participation in and access to online learning platforms and applications; and (2) inclusion in internal school and District email address books.

**Please check the boxes next to the purpose(s) for which you *do not grant* the District permission to disclose your student's directory information, below.**

Northwest Education Services *may not* disclose my student's directory information for the following purposes:

- For School or District publications, including but not limited to, a yearbook, graduation program, theater playbill, athletic team or band roster, newsletter, and other school and district publications.
- For School or District auto-dialer system to communicate School or District information.

## Information to U.S. Military Recruiters and Institutions of Higher Education Recruiters

If you do not want your student's information released for one or both of those purposes, please check one or both of the boxes below:

I also indemnify the school and its board members, agents, and employees, including its Internet Service Provider, for any fees, expenses, or damages incurred as a result of my child's use, or misuse, of the school's Technology Resources.

I have explained the rules listed above to my child.

I authorize the school to consent to the sharing of information about my child to website operators as necessary to enable my child to participate in any program, course, or assignment requiring such consent under the Children's Online Privacy Protection Act.

## 3116-F-2 Agreement for Acceptable Use of Technology Resources Middle School/High School (6-12)

Building/Program Name: \_\_\_\_\_

User Name: \_\_\_\_\_

This Agreement is entered into on: \_\_\_\_\_

This Agreement is between \_\_\_\_\_ and \_\_\_\_\_  
Student/User School

The purpose of this Agreement is to grant access to and define acceptable use of the school's technology resources ("Technology Resources").

Technology Resources are any type of instrument, device, machine, equipment, technology, or software that is capable of transmitting, acquiring, or intercepting any telephone, electronic, data, Internet, audio, video, or radio transmissions, signals, telecommunications, or services and include without limitation: (1) internal and external network infrastructure, (2) Internet and network access, (3) computers, (4) servers, (5) storage devices, (6) peripherals, (7) software, and (8) messaging or communication systems.

In exchange for the use of the school's Technology Resources either at school or away from school, you understand and agree to the following:

- A. Your use of the school's Technology Resources is a privilege that may be revoked by the school at any time and for any reason.
- B. You have no expectation of privacy when using the school's Technology Resources. The school reserves the right to monitor and inspect all use of its Technology Resources, including, without limitation, personal email and voicemail communications, computer files, databases, web logs, audit trails, or any other electronic transmissions accessed, distributed, or used through the Technology Resources. The school also reserves the right to remove any material from the Technology Resources that the school, in its sole discretion, chooses to including, without limitation, any information that the school determines to be unlawful, obscene, pornographic, harassing, intimidating, disruptive, or that otherwise violates this Agreement.
