Families, caregivers and community members are invited to attend a one-hour seminar on the impacts of autism and the many resources available in schools that can also be useful in homes or community.

The Northwest Education Services (North Ed) Autism Consulting Team will share information that will shed light on autism and the many supports available in the community.

Interlochen Public Library

9411 Tenth St. | Interlochen, MI 49643
Wed., April 23 | 4:30-5:30 p.m.

- No cost to attend
